BARGAIN PRICES TO UNLOAD OUR SURPLUS

E. C. ROBBINS, Gardens of the Blue Ridge
Ashford (McDowell County), North Carolina

LANDSCAPE ARCHITECTS, NURSERYMEN AND ALL PLANTERS

will find our organization well qualified to meet the demand in quality, quantity and service for both Nursery Grown and collected stock, backed by our 40 years practical experience.

Our shipments extend to every State of the Union and many Foreign Countries, with rarely any sort of complaint. Our method of packing insures arrival at destination in good condition throughout this and European Countries.

We would like to have you look over this Catalog to see if you need any of the items named. If so, please write us, and we will do our best to please you. Our prices have all been adjusted to meet present day conditions. However, we ask that you write us for special price on quantity orders. We specialize in carload orders at very low prices, consistent with quality.

Write Now. Greater Values! Lower Prices! Highest Quality Packing and Grading.

Trade with us and save money. Prompt and satisfactory service on all orders with guaranteed satisfaction.

TERMS AND CONDITION OF SALE

5 at 10 rate; 25 at 100 rate; 250 at 1,000 rate.

Packing and grading will be held to highest standard.

Certificate of Inspection attached to all shipments.

Remittance or satisfactory reference required of unknown parties.

Discount of 6% allowed on cash orders, including free packing.

Terms to those entitled. Plus packing at cost on less car orders.

No packing charge on carload orders.

Claims for any cause must be made upon receipt of goods.

All shipments travel at cost and risk of purchaser.

Correspondence and inspection invited. Visit our Nurseries.

All bills due and payable 30 days from date of Invoice. 3% ten days.

Shipping Instructions should always be given fully.

We are not responsible for damages after receiving signed bill of lading.

SPRING SHIPMENTS are forwarded according to customers' wishes and subject to conditions beyond our control, March 1 to May 15. PLEASE ORDER EARLY.

For extensive plantings, we will be glad to make special prices where large quantities of plant material are required

Special Collections of Foundation Plant Material

These collections are valuable to home-owners who are not entirely familiar with Broad-leaved Evergreens. The plants are from my regular stock, and I feel sure they will please you when they arrive—and for many seasons thereafter.

Special Collection No. 9

Azalea arborescens. Sweet White Azalea. Fragrant white flowers in spring and early summer.

Azalea calendulacea. Flame Azalea. A native species. Color varies from orange to canary.

Azalea canescens. Piedmont Azalea. Pink and rose.

Azalea nudiflora. Pinxter Bloom. Deep pink flowers.

Five plants of each, 12 to 18 in. **\$22.50**
(20 plants in all), for only

Special Collection No. 10

Rhododendron carolinianum. Carolina Rhododendron. The earliest flowering variety. Color light to deep pink.

Rhododendron catawbiense. Catawba Rhododendron. Vigorous, hardy, free-blooming. Color rosy purple.

Rhododendron maximum. Rose Bay. Pinkish white flowers in July. The grandest of all.

Five plants of each, 12 to 18 in.
(15 plants in all), for only **\$20.00**

Special Collection No. 11

Kalmia latifolia. Mountain Laurel. A lovely native, with pink or rose flowers.

Leucothoe catesbaei. Drooping Leucothoe. Flowers creamy white, drooping and showy.

Pieris floribunda. Mountain Andromeda. White flowers in clusters in April and May.

Five plants of each, 12 to 18 in.
(15 plants in all), for only **\$17.50**

SPECIAL COMBINATIONS

Plants for Shady Places

Along the border of an evergreen group, or at the edge of a woodland, these plants are of great value. Foliage and flowers are charming from early spring until late autumn.

Dioscorea villosa. Yam. In autumn the heart-shaped foliage turns to golden yellow.

Galax aphylla. Galax. A superb ground-cover plant. Foliage bronze and green.

Shortia galacifolia. Oconee Bells. Flowers pink and white, in early spring.

Veratrum viride. American False Hellebore. Greenish white flowers in spring. Height 2 to 4 feet.

Cypripedium pubescens. Common Lady's Slipper. Bright yellow flowers in May. Height 12 to 20 inches.

Arisaema triphyllum. Jack-in-the-Pulpit. Greenish white flowers, top turning over the club-shaped spadix or center spikes.

Trillium grandiflorum. Snow Trillium. Large white flowers turning to pink.

Aconitum uncinatum. Clambering Monkshood. Blue hood-shaped flowers.

Cimicifuga racemosa. Cohosh Bugbane. White flowers in late summer. Height 4 to 8 feet.

Clintonia borealis. Bluebead. Showy yellow flowers in June. Height 6 to 8 inches.

Hepatica acutiloba. Sharp-lobed Hepatica. Many white and purple flowers in March and April.

Polygonatum commutatum. Great Solomon's Seal. Drooping greenish white flowers in June. Height 3 to 6 feet.

Five Plants of Each Variety (60 Plants in All) for Only \$8.25

THE TRUMPET CREEPER,
or Trumpet Vine.

This is one of those hardy, woody, robust growing vines that twines tightly and reaches a great length, quickly covering stumps, dead trees, unsightly places. The flowers are long trumpets in dark red with orange throats; in profusion.

BIGNONIA RADICANS. Trumpet Creeper.

Special Collection No. 8

Plants for the Rock-Garden

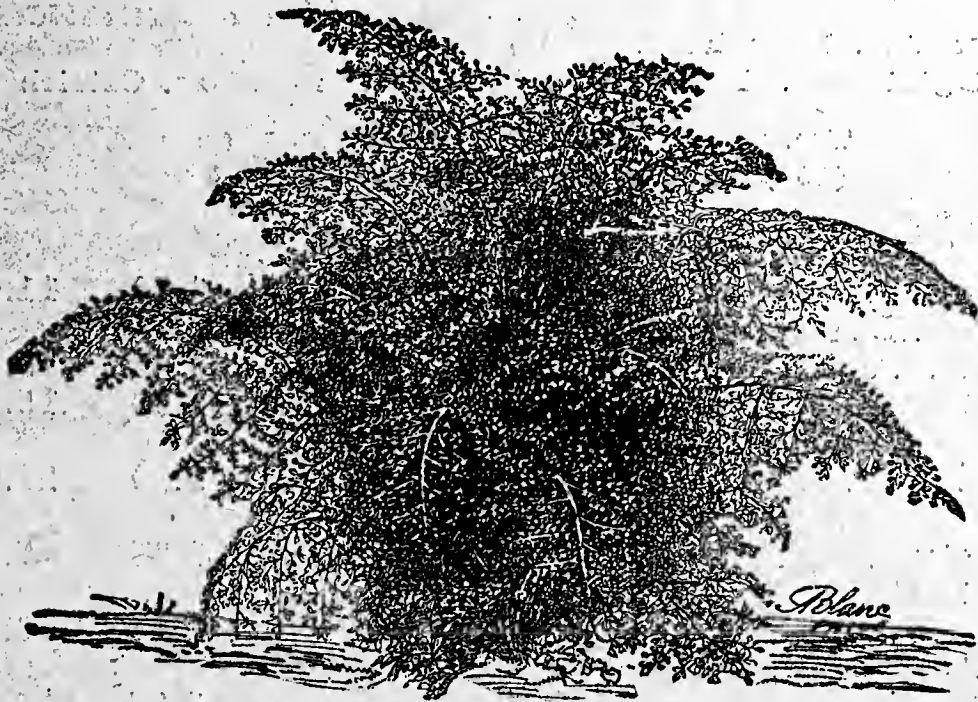

FRINGED BLEEDING HEART;
Dicentra Eximia.

5 *Leiophyllum buxifolium prostratum.*
Allegheny Sand Myrtle.

Five to 10 Plants of Each Variety (55 Plants in All) for Only \$8

- 10 *Sedum ternatum.* Mountain Stonecrop. White flowers in early spring.
- 5 *Habenaria ciliaris.* Yellow Fringe Orchid. Handsome yellow flowers suitable for the rock-garden.
- 5 *Dicentra eximia.* Fringed Bleeding-Heart. Deep rose flowers and fern-like foliage all summer. Height 10 to 18 inches.
- 5 *Campanula divaricata.* North Carolina Harebell. Pale blue, bell-shaped flowers in early summer. Height 12 to 18 inches.
- 5 *Asclepias tuberosa.* Butterfly Weed. Orange or red flowers. Height 15 to 24 inches.
- 5 *Heuchera americana.* American Alumroot. Greenish white flowers in June. Foliage mottled bronze in late fall.
- 5 *Houstonia purpurea.* Mountain Houstonia. Purple flowers all summer. Height 6 to 12 inches.
- 5 *Xerophyllum asphodeloides.* Turkey's Beard. White flowers on spikes 3 to 5 feet tall.
- 5 *Yucca filamentosa.* Common Yucca. White bell-shaped flowers in July and August, on spikes that may be 6 feet or more in height.

Hardy Native Ferns

MAIDEN HAIR FERN; *Adiantum Pedatum.*

For shady locations, no class of plants can equal the Ferns. They are easily grown in ordinary soils and will often thrive where it is impossible to make flowering plants succeed. We handle large quantities of Ferns annually and recommend the following:

	10	100	1000
ADIANTUM PEDATUM, American Maidenhair Fern, stg.	1.25	6.00	55.00
ASPLENIUM ANGUSTIFOLIUM. Arrow-leaved Spleenwort	1.50	11.00	
ATHYRIUM FILIXFEMINA. Lady Fern. Strong..	1.25	7.50	70.00
BOTRYCHIUM VIRGINIANUM. Rattlesnake Fern, stg.	1.25	7.50	70.00

Special Collection No. 2

Shade-Loving Native Plants

JACK-IN-THE-PULPIT;
Arisaema Triphyllum.

- 5 *Galax aphylla*. Galax.
5 *Iris cristata*. Crested Iris. Blue.
5 *Iris verna*. Vernal Iris. Blue.
5 *Shortia galacifolia*. Oconee Bells.

- 1 *Veratrum viride*. American False Hellebore.
5 *Cypripedium acaule*. Pink Lady's Slipper.
5 *Cypripedium pubescens*. Common Lady's Slipper.
5 *Orchis spectabilis*. Showy Orchis.
5 *Arisaema triphyllum*. Jack-in-the-Pulpit.
10 *Convallaria majalis*. Lily-of-the-Valley. Who does not love these little white flowers?
10 *Trillium erectum*. Purple Trillium.
10 *Trillium grandiflorum*. Snow Trillium.
1 *Aconitum uncinatum*. Clambering Monkshood.
1 *Actaea alba*. White Baneberry.
1 *Asarum shuttleworthii*. Mottled Wild Ginger.
1 *Cimicifuga racemosa*. Cohosh Bugbane.
5 *Clintonia borealis*. Bluebead.
5 *Hepatica acutiloba*. Sharp-lobe Hepatica.
5 *Polygonatum commutatum*. Great Solomon's Seal.
5 *Smilacina racemosa*. False Solomon's Seal.
5 *Uvularia grandiflora*. Big Merrybells.

One to 10 Plants of Each Variety (as Indicated), 100 Plants in All \$13.75

Special Collection No. 3

Ferns may be used among shrubbery, in a shady corner near the house, or grouped at the edge of the woodland.

Adiantum pedatum. American Maidenhair Fern.

NOTE.—5 plants at the 10 rate, 25 at 100 rate, 250 at 1,000 rate.

The search for strange and NEW ORCHIDS has enlisted the efforts and fortunes of men of all ages and all countries. The wild specimens of our own country are too little known perhaps because they are more easily accessible.

Hardy Native Lilies and Bulbous Plants

No matter how small one's garden may be a spot should be reserved for Hardy Lilies, they are so different and so well worth while, and it is pleasing to those of us who have made a life's study of native plants that the great public is following us so closely, accepting our suggestions and giving more and more space to the truly desirable flowers of at least wild origin.

NARCISSUS or DAFFODILS of all Sorts. North Carolina grown bulbs give good results. I have a good stock of the very best varieties originating in Holland—they are listed on page 23 of this Catalogue

LILY of the VALLEY: *Convallaria Majalis.*

BLEEDING HEART

One of the loveliest Native Hardy Flowers found in all of the very old gardens and again becoming so popular.

ORANGE CUP LILY;

Lilium Philadelphicum. Also known as Wild Orange-Red Lily; one of America's most effective lilies.

TURK'S CAP LILY.

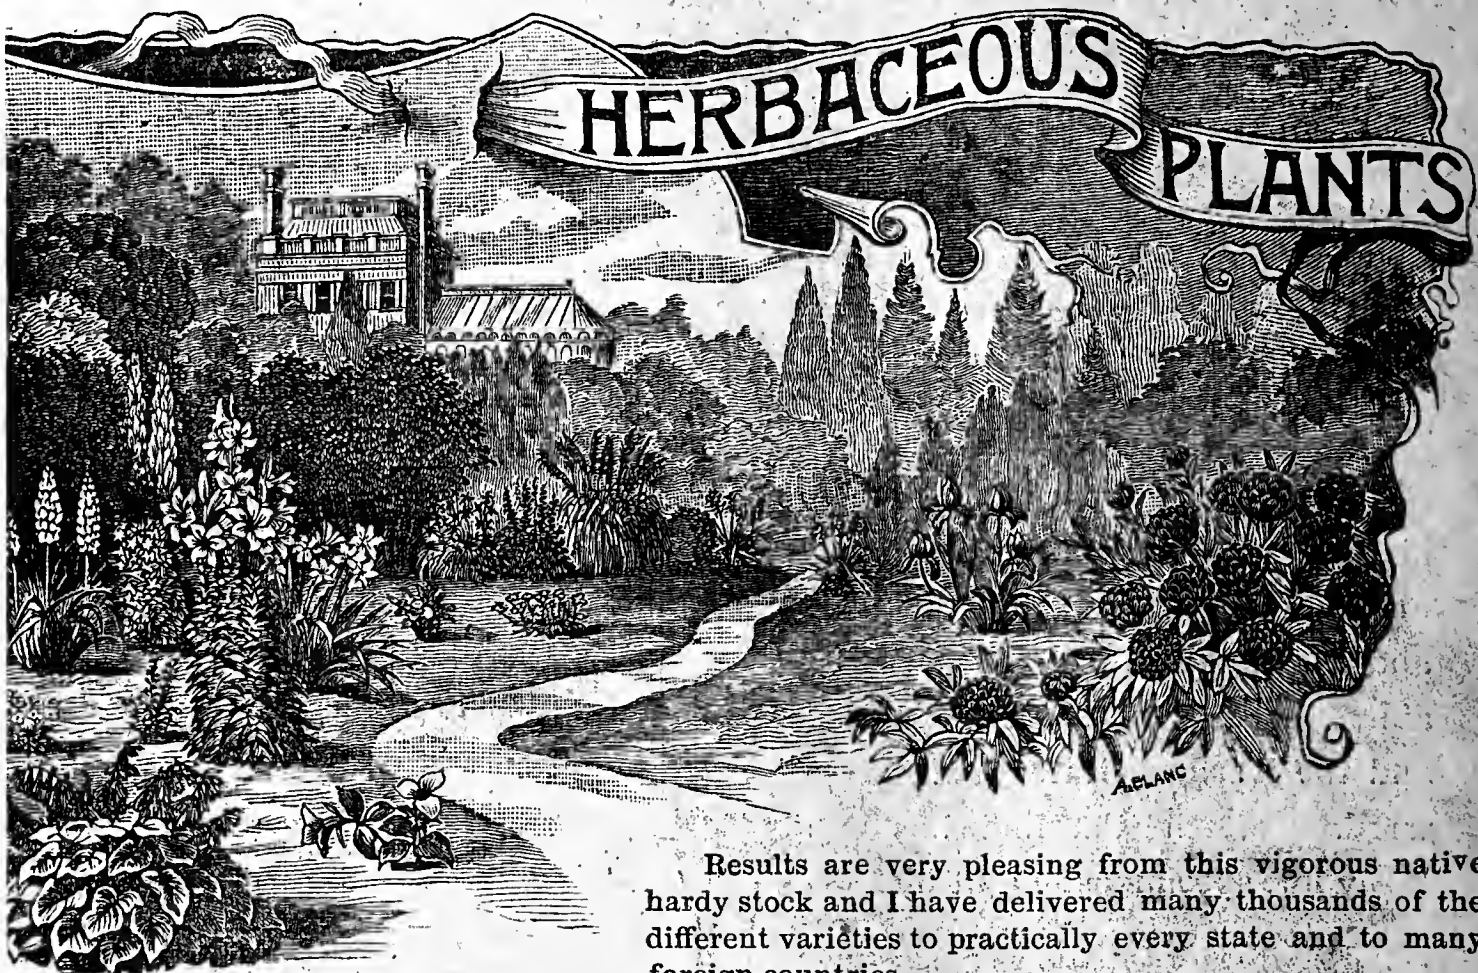

Three stems of this fine lily are shown to the left. It is the most prolific bloomer of our wild lilies, as many as 20 to 40 brilliant orange spotted blooms on a single plant.

TRILLIUMS

The Trilliums are so named because all their parts are arranged in threes—look at the picture and you will readily understand. They are hardy and are found in more or less abundance all over Canada and the Eastern States southward. North Carolina has many fine specimens sought by flower lovers everywhere.

LILIUM GRAYI. Gray's Lily. 1st size.....			
2nd size	1.75	10.00	90.00
3rd size	1.35	6.00	55.00
LILIUM PHILADELPHICUM. Orange-cup Lily.

SOLIDAGO CANADENSIS

Golden rod gives a touch of brilliant yellow to the late summer garden.

SAPONARIA or BOUNCING BETT

Flowers pink and white, pretty and effective for border and rock work.

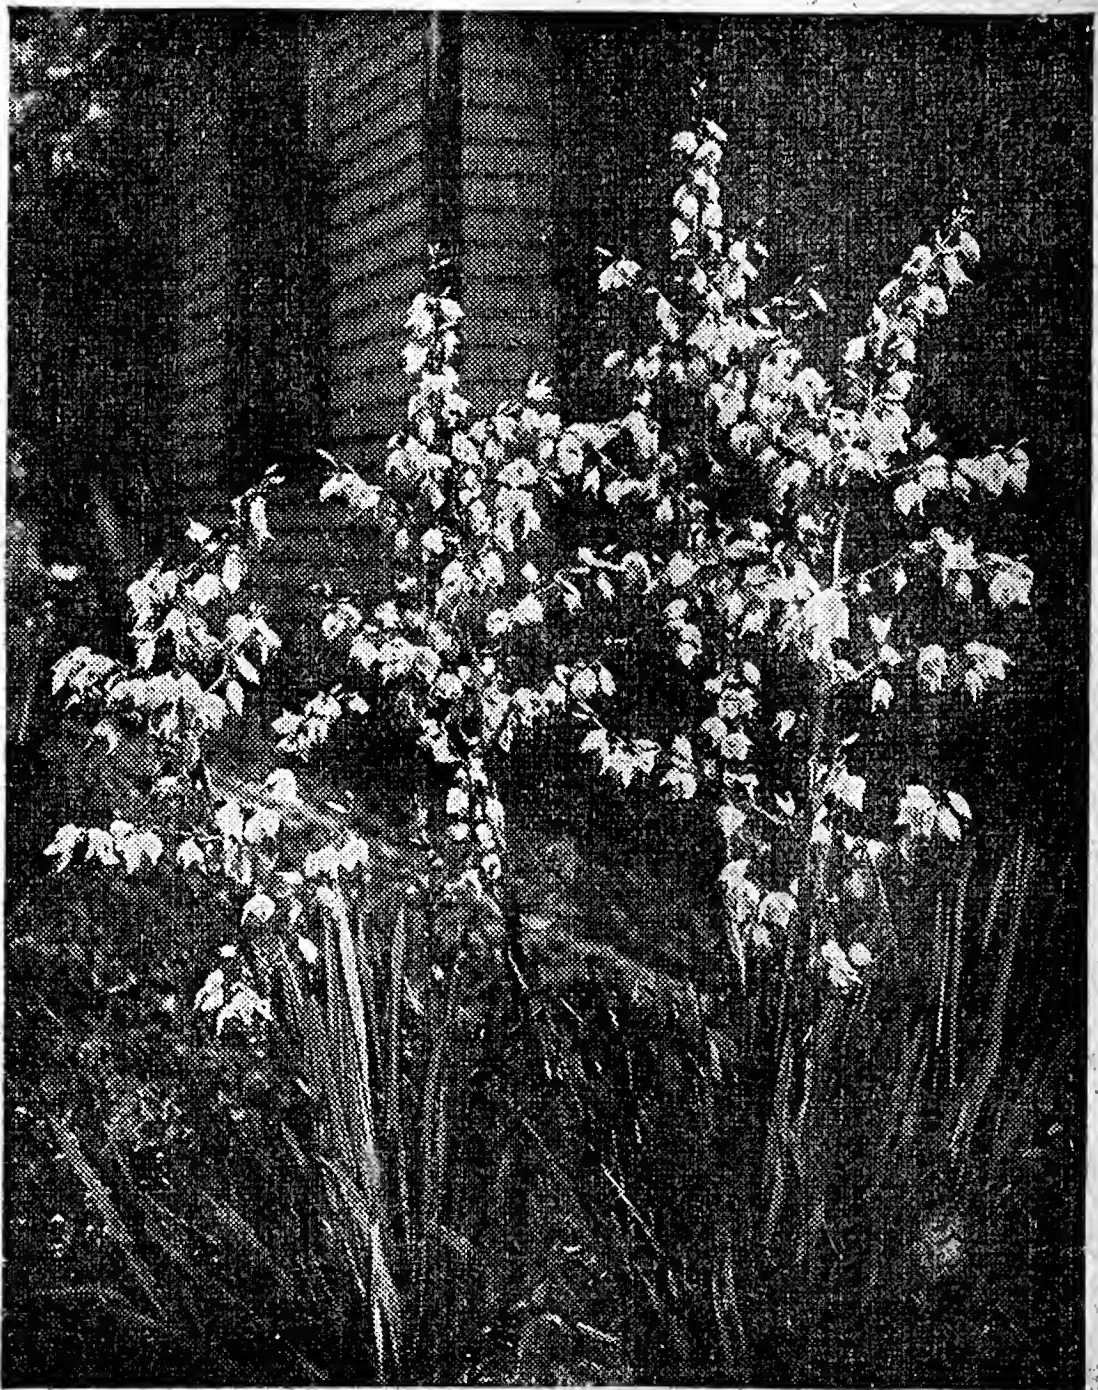

SWEET VIOLETS OF EARLY SPRING

In North Carolina we have so many types of this wonderful flower, blue, white, yellow, and two-colored, as I have them listed on pages 28 and 29 of this catalogue.

HEUCHERA or Alum Root

Coral Bell and Crimson Bell are other common names of certain Heucheras.

YUCCA or SPANISH BAYONET

Adam's Needle is another common name for this type of Yucca. I have fine plants of four different species in sufficient quantities to justify my offering them for sale.

SPECIAL OFFER—100 Perennials (personally selected by Mr. Robbins), furnishing a succession of bloom all season, \$9.85.

Special Collection No. 4

Native Ferns for Shady Places

Adiantum pedatum. American Maiden-hair Fern.	Dryopteris spinulosa. Toothed Wood-fern.
Dicksonia punctilobula. Hay-scented Fern.	Osmunda regalis. Royal Fern.
Dryopteris marginalis. Leather Wood-fern.	Polystichum acrostichoides. Christmas Fern.
Osmunda cinnamomea. Cinnamon Fern.	Pteritis nodulosa. Ostrich Fern.

Ten plants of each variety, (80 plants in all) for \$9.25.

Double Narcissus, or Daffodils, are Nice to Grow Among Shrubberty, Near the Front as They Are Not Tall.

Special Collection No. 5

Plants for Sunny Locations

Furnishing flowers from May to September

Rare indeed is the garden that has all of these plants, but here is your opportunity to get them. Five plants of each are offered for a very small sum.

Convallaria majalis. Lily-of-the-Valley.

Dicentra eximia. Fringed Bleeding-Heart. Rose-colored flowers all summer.

Lilium carolinianum. Carolina Lily. Orange-red flowers; extremely fragrant. Height 3 to 4 feet.

Lilium grayi. Gray's Lily. Reddish flowers, spotted orange inside. Height 2 to 4 feet.

Asclepias Tuberosa. Butterfly Weed. Very showy orange or red flowers.

Campanula divaricata. North Carolina Harebell. Pale blue flowers in July.

Chamaelirium luteum. Fairy Wand. Spikes of small yellow flowers in June.

Coreopsis lanceolata. Lance Coreopsis. Yellow.

Gillenia trifoliata. Bowman's Root. Pure white or rose.

Houstonia purpurea. Mountain Houstonia. Purple.

Lobelia cardinalis. Cardinal Flower. Brilliant scarlet.

Silene stellata. Starry Campion. Showy panicles of white in July. Height 2 to 4 ft.

Silene virginica. Fire Pink. Crimson blooms.

Stenanthium robustum. Feather Fleece. White flowers.

Viola cucullata. Blue Marsh Violet.

Viola pedata. Bird's-foot Violet. Blue flowers in May.

Iris cristata. Crested Iris.

Five Plants of Each (85 Plants in All) for Only \$9.90

Leaf-Mold

The Plant Food that nature intended. This material is collected from dense Rhododendron beds. It has no artificial treatment. Renovate your plantings. Azaleas, Rhododendrons, Kalmias, Leucothoe, Andromedas, Hemlocks, Pines, Orchids, Ferns, Lillies, Trilliums, Perennials and all Natives, with Nature's

own provided Plant Food. "BEST BY TEST."

This treatment will feed the Plants, and give your soil proper acid condition to insure the best in flower, foliage and root system. Also build up your lawn with this product. Cheaper to protect than to replace.

Special offer 200 lbs. \$2.00, Ton \$12.50, Carload 20 tons \$185.00. In bags.
